Free Trade The Repeal Of

Free Trade and the Repeal of the Corn Laws. Belief in free trade became an enduring characteristic of British liberalism in the 19th century but its roots were complex. In part it stemmed from popular Radical hostility to monopoly in all its forms, in part from the diffusion of Smithian and Ricardian political economy and in part from the administrative pragmatism, reinforced by evangelical religion, of the liberal Tories in the 1820s.
