If she has never done one of these before, a silver in the intermediate and qualifying for the Grey Kangaroo is really good. Dd loves doing these as, whereas the maths curriculum is fairly prescriptive, these require more puzzle solving and working out what maths to use. You have to take the results with a pinch of salt.

Grey Kangaroo Maths paper | Mumsnet

Two different Kangaroo papers follow on from the Intermediate Maths Challenge and the next 5500 highest scorers below the Olympiad threshold are invited to take part (both papers are by invitation only). The Grey Kangaroo is sat by students in year 9 and below and the Pink Kangaroo is sat by those in years 10 and 11. The top 25% of scorers in each paper receive a certificate of merit and the rest receive a certificate of participation.
