PHARMACY LAW AND ETHICS - SlideShare

There is no shortage of ethical dilemmas facing pharmacists daily. While federal and state laws are in place to help guide pharmacists to do the right thing, interpreting how to apply those laws in a practice setting can be challenging. That's where ethics kicks in. Even the term ethics can vary much in its definition. The one I like to use is from Merriam-Webster's online dictionary: "Rules of behavior based on ideas about what is morally good and bad."
