### Private Ambition and Political Alliances in Louis XIV's ...

Alliance, in international relations, a formal agreement between two or more states for mutual support in case of war. Contemporary alliances provide for combined action by two or more

independent states and are generally defensive in nature, obligating allies to join forces if one or more of them is attacked.

### **Alliance - Encyclopedia Britannica | Britannica**

We need to engage not just the private sector, but decision-makers in labour, agriculture, development, women, science, education and many other key sectors. Only concerted, united action can help to protect human health and the environment, which is why initiatives such as the High-Ambition Alliance are so important.

Modern political climate. Despite vastly improved relations between Russia and the Western European states since the end of the cold war, recently tensions have risen over the spread of "Western" organisations, particularly the EU and NATO, eastwards into former USSR states. Most European states have either joined, or stated their ambition to join, the European Union.

Summary. The Petersberg Climate Dialogue was launched by Germany ten years ago to bring together ministers and heads-of-state and be a bridge between implementation and negotiation to address the climate crisis. These annual convenings have been critical for driving ambition, in particular to increase financial commitments for climate action. The recently concluded 11 th edition was historic ...
