The Last of US is basically a better version of Uncharted. Hey, Uncharted is pretty darn good, I know, I know. This is more plotful, better dialogue, both done by Naughty Dog Studios, way scarier, more intense but not necessarily more difficult, and the scenes of apocalypse are far more interesting.

Training Manuals in The Last of Us Remastered are the game's way to help Joel with things such as increasing the blast radius of his Bombs, or the area covered by one of his Molotovs. They can even help him build more durable Shivs, and that can be the difference between life and death. Of course, you can beat the game without picking one of ...
